

Layer 2 – Product Data (Fire-Resistant Systems)

This document describes fire-resistant wall and ceiling systems used for BIM-based compliance checking and RAG-based interpretation.

System 1: External Wall Lining

Fire Rating: EI60

Insulation: Biofib Trio

Board Type: PREGYROC AIR BA18

Constraint: Validated only with Biofib Trio insulation

System 2: Internal Wall Partition

Fire Rating: EI120

Insulation: Biofib Trio

Board Type: Siniat Fire Board

System 3: Underfloor Ceiling System

Fire Rating: REI30

Insulation: Biofib Trio

Board Type: Siniat Ceiling Board
